However, CIPP/US is my last exam and I was finding studying frustrating and slow compared to CIPP/C, CIPP/E and CIPM. Your outline has helped a lot as has your advice on what to focus on. I think my biggest problem is the lack of an overriding federal privacy law as compared to other jurisdictions and therefore the need to study various industry specific laws instead.

This study guide is absolutely no substitute for using that book. The practice questions in this study guide were okay, but the first section of the book is not on the exam, and the second section of the book only covers about 1/3 of the material on the exam. If you use this book exclusively, you will fail the exam.
