The manual helps students understand the timing and situations for the various techniques. The Beran lab manual has long been a market leading lab manual for general chemistry.

Laboratory Manual for Principles of General Chemistry by ...

It's a great lab manual with detailed procedures and good technique descriptions. The book came in about 2 weeks and it was cheaper on amazon than at my school bookstore (like almost every book). The book is paperback and has holes so you can put it in a binder if you want.
