Sony DSC-HX400V settings, tips and tricks Introduction. This is an advanced manual for the SONY HX400V with tips and tricks. I'll be going through the entire menu system with you and explain you exactly what is what, giving you tips on how to setup your camera along the way.

Sony DSC-HX400V advanced manual with tips and tricks

The Sony Cyber-shot DSC-HX200V is a super zoom camera that has virtually every bell and whistle ever created. And for the most part, that's a good thing. The HX200V is a fairly large camera, and made mostly of plastic. Construction is solid, though the mode dial and door over the battery/memory card slot feel a bit cheap.
