In The Creation of Inequality, Kent Flannery and Joyce Marcus demonstrate that this development was not simply the result of population increase, food surplus, or the accumulation of valuables. Instead, inequality resulted from conscious manipulation of the unique social logic that lies at the core of every human group.

The Creation of Inequality — Kent Flannery, Joyce Marcus ...

Part 1 of The Creation of Inequality takes the reader through Rousseau's "state of Nature" and sets the baseline in the Paleolithic for the development of inequality. Physical differences had always separated members of species—strength, agility, intelligence—and they form the basis of social organization in our nearest primate kin.

The Creation of Inequality: How Our Prehistoric Ancestors ...

The Creation of Inequality: Myths of Potential and Ability. Danny Dorling. University of Oxford, Oxford, England. Sally Tomlinson. University of Oxford, Oxford, England. Abstract. The old myth about the ability and variability of potential in children is a comforting myth. for those who are uneasy with the degree of inequality they see and would rather seek to justify it than confront it.

The Creation of inequality: myths of potential and ability

The Creation of Inequality distills two lifetimes of work on the origin and evolution of complex societies throughout the ancient world. This work brings much of this together in an eminently readable and fascinating way.
