Four engines are available in the Auris Touring Sports - two diesels, two petrols and one petrol-electric hybrid. A 99PS 1.33-litre petrol kicks off the range, which sounds like too little for a load-hauling estate car - and is. That's largely because it's got just 128Nm maximum torque and at a stratospheric 3800rpm.

Toyota Auris Touring Sports: pricing and specifications ...

There are two diesels, a couple of petrol engines and a petrol-electric hybrid available in the Touring Sports range. The hybrid is the familiar 1.8-litre petrol engine/electric motor combo used in many other Toyota hybrids including the Prius. For the most part, it's quiet and refined, wafting you around in near silence at city speeds.
